

Appl. No. 10/562,652  
Reply to Office Action of October 10, 2007

**REMARKS/ARGUMENTS**

**CLAIM REJECTIONS**

Claims 1, 2, 4-7, and 10 are rejected under 35 U.S.C. 103(a) as being unpatentable over Ueda et al. (US 2002/0094452A1)

**ALLOWABLE SUBJECT MATTER**

Claims 9 and 11 are indicated to be allowable if rewritten into dependent form including all of the limitations of the base claim and any intervening claims.

**RESPONSE**

Claim 1 was amended so as to delete the electron withdrawing group of -CF<sub>3</sub>. The remaining subject matter is the combined subject matter of claims 9 and 11 which were allowed. Therefore the amendment limits Claim 1 only to allowable subject matter.

Claim 10 was canceled to avoid its rejection.

All the remaining claims depend from Claim 1.

In view of the above, the claims only contain allowable subject matter.

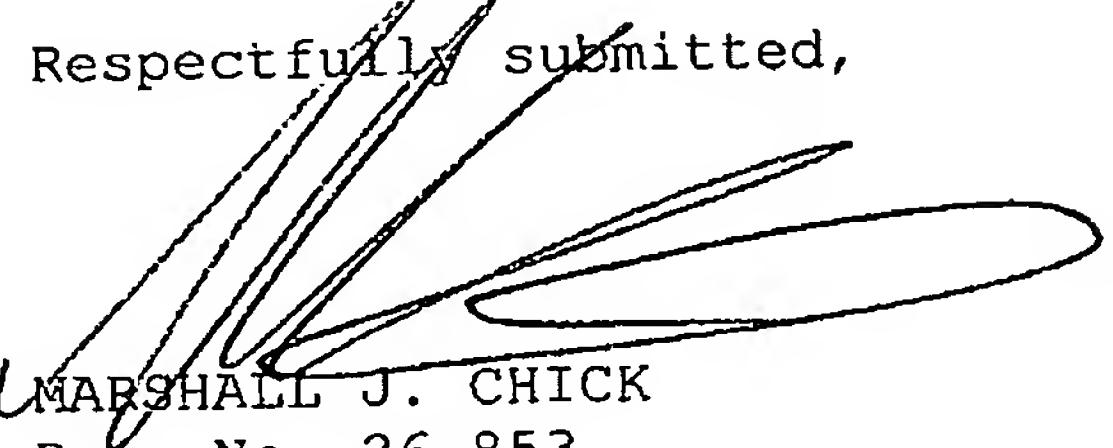

Entry of this Amendment Under 37 CFR 1.116 as clearly placing the application into condition for allowance by restricting the claims to allowable subject matter, is

Appl. No. 10/562,652

respectfully requested.

Allowance of the application is therefore respectfully  
requested.
